## The Annie Grant

The Annie Grant is made available in honor of Yvonne's 4th Great Grandmother Annie Jane Gordon Morris Pruitt Lett (abt. 1812-1917) whose parents and family were a brick wall for Yvonne and other descendants for generations. Proven genealogical methods Yvonne learned in the course of her genealogical education provided a foundation for Yvonne to identify and prove Annie's lineage.

The Annie Grant is awarded to genealogical and historical societies, libraries, and other field-associated organizations throughout the state of Georgia to help provide these organizations better access to quality educational programs and to undertake special projects by these groups that require funding. Application for these grant funds can be made by downloading and completing the application below and emailing it to Yvonne. Each grant award is \$300. Each organization is limited to one Annie Grant award per calendar year. The number of grants awarded throughout the calendar year will be at the discretion of the grantor. **Deadline for grant applications is December 31<sup>st</sup> for grants awarded the following year.**
